

JC Station Alters Time

Foothill College's new FM station, KFJC, now is beginning its broadcasting day at 5 p.m. rather than 8 p.m. as previously announced.

The educational station is on the air from 5 to 7 p.m. Monday through Thursday, according to Bob Ballou, student station manager.

Change of time was made necessary due to interference with electronics equipment used in evening classes at the college.

KFJC broadcasts on a frequency of 88.5 megacycles with a power output of 10 watts and 30 watts effective radiated power.
