Dorothy Burkhart, *San Jose Mercury News*

"Jan Rindfleisch's shows always enlarge the usual approach...will continue to provide food for future thought on the need and use of art."

Charles Shere, *The Tribune*

"The expressionist dimension, the innovative art in the Gallery would have pleased her (Helen Euphrat). She had a fine eye for even unconventional design."

Jack Euphrat

"California needs galleries that appeal to our West Coast's eclectic taste—yet cater also to the studied patron. The Euphrat is just that kind of gallery."

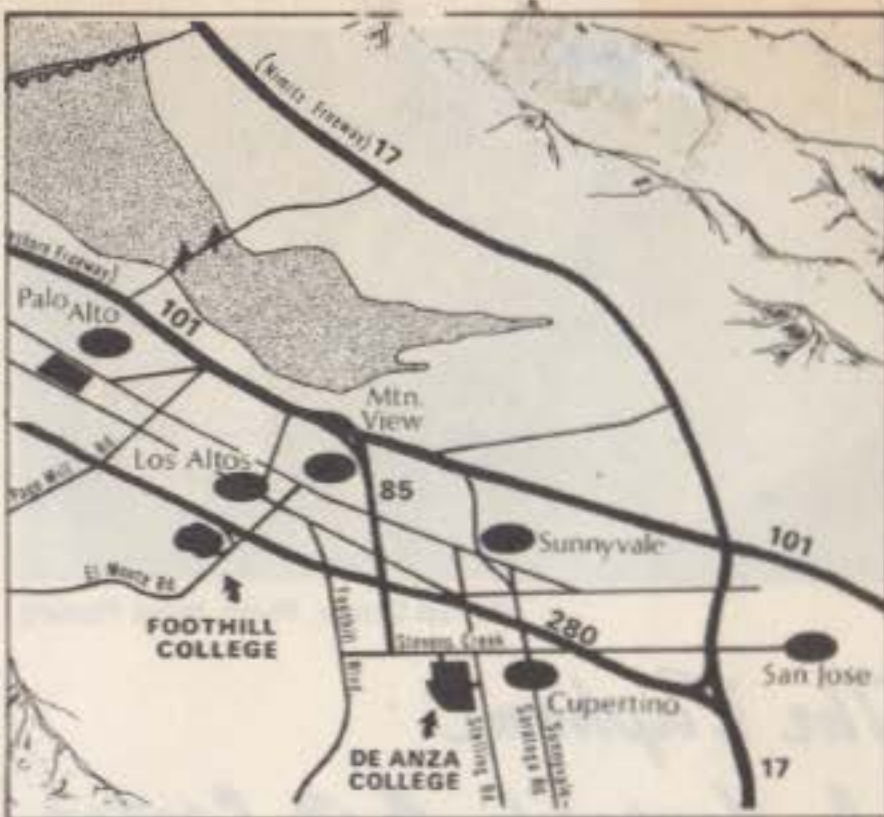

Consuelo Santos Killins,
