Foothill College Radio On Air in September

Foothill College's radio station, KFJC, will go on the air sometime in September, serving the greater Peninsula area.

The 10-watt education FM station was approved recently by the Federal Communications Commission.

Plans call for the station to be on the air Tuesday through Friday evenings from 7-10. Programming will include music, news and special education shows. The station will be located at 88.5 megacycles.
