

# College FM Radio Will Broadcast

Foothill College's new FM education radio station, KFJC, will begin broadcasting next month, and will be on the air Monday through Friday evenings at 88.5 megacycles on the dial.

Students interested in radio theory and techniques may enroll in Broadcasting 92A, Radio Production Laboratory, for two units of credit. Fred Critchfield will be in charge of the radio courses and will serve as advisor to KFJC.
