

Foothill Station Plans Music Show

Handel's "Messiah" and Vivaldi's "Gloria" will be featured this week on Foothill College's FM radio station, KFJC.

The complete original manuscript version of the "Messiah" will be broadcast between 5 and 7 p.m. Thursday. The work will be presented by the London Chorus and Philharmonic Orchestra.

Vivaldi's "Gloria" will be broadcast on a special Friday program from 7 until 10 p.m. This will be the first Friday night broadcast since the station went on the air in October.

Friday night's special program will also include Christmas greetings from the college administrators and student body officers.

Station KFJC is located at 88.1 megacycles, channel 203, on the FM radio dial, broadcasting from the Mountain View campus.

The station will not broadcast between Dec. 19 and Jan. 4 because of the school holidays.
