Dr. Howard G. Diesner, President  
Board of Trustees  
Foothill Community College District  
12345 El Monte Road  
Los Altos Hills, California

Dear Dr. Diesner and Board Members:

After almost thirteen years of as gratifying experience as any college administrator could hope to have, I have come to the realization that there are countries which Lenore and I want to visit or revisit, books which I too long have deferred reading, and trees which I want to plant and nurture.

Therefore, I am requesting the Board to release me from my four-year contract on June 30, 1971 or at an early date thereafter, as determined by a Board committee.

It is superfluous to add that it has been a tremendous pleasure to work with my friends who have constituted the Board of Trustees. With equal sincerity I can say that I have enjoyed my close relationship with the wonderful staffs in all segments of the District.

The Foothill District has been good to me and I will miss it.

Sincerely,

CALVIN C. FLINT  
District Superintendent
