KFJC, Foothill College's FM station, is holding its first open house today from 5-9 p.m.

The 10 watt education station has been on the air since Oct. 20. Refreshments will be served from 7-9 p.m., after the station signs off, according to Bob Ballou, station manager.

Broadcasting hours are 5-7 p.m., Monday through Thursday. The studio and control room, located in the college basement, will be open for inspection the entire time. Signs will be posted around the college to direct visitors to the station facilities.
